

IN MEMORIAM

We'll Never Forget The Day They Died
Oh, How We Hurt, Oh, How We Cried
Three Strong Men Were Taken Away
They Did It For Love, Not For The Pay

They Never Realized The Danger They Faced
Up The Stairs, Through The Hallway They Raced
Searching And Crawling, They Tried Their Best
When It Was Over, They Were Laid To Rest

We'll Never Forget Them, And They Will Be Missed
Cav, Curly, And Our Buddy Chris
The Pain Will Ease As Time Goes On
It's Hard To Realize That All Three Are Gone

They're Not The First And Not The Last
They Died As Heroes, Like Others Past
We Know They're In Heaven, With God They Rest
We Love You Guys, You Were The Best
